

## BARNARD ART HISTORY DEPARTMENT

### LIMITED ENROLLMENT COURSE APPLICATION AND ONLINE REGISTRATION INSTRUCTIONS

Barnard Art History seminars and most Visual Arts courses require the instructor's permission to officially enroll. To receive full consideration for admission to one of these courses, students must submit an online application by 5pm on 11/14 and register to be and be put on the course's waitlist during the upcoming early registration period (November 18-22, 2025). Students who submit an online application will receive an email from the BC Art History Department 11/18 with the class roster of accepted students. Please email the BC AH office ASAP if, after you have been accepted or waitlisted for a course but then decide not to register. This way, another student can be admitted off the waitlist. On the day an instructor or department admits a student from the waitlist, that student will see their status change to "Approved" on SSOL. The student will then be automatically moved from the waitlist to the class list overnight. If a student has been accepted into a course, they are required to attend the first class meeting in January to secure their spot. If the student does not attend the first class meeting in January, they will lose their spot and the professor will assume they are not taking the course and will admit another student off the waitlist.
